

MAAL

CHIVO

GIN DE BODEGA

DESCRIPTION

In our permanent search to do as much as possible with Malbec, we are encouraged to give our stamp to Gin, a drink that we love. We harvested some Malbec early that we dehydrated, and together with 7 other botanicals, most of them from our farms, we shaped CHIVO, an intense and perfumed Mendoza Dry Gin.

BOTÁNICOS

- Juniper
- coriander
- Rosemary
- Thyme
- Pink pepper
- Malbec raisins
- Lemon peel
- Angelica
- Lavender

DISTILLATION

Distillation time: mixed (some botanicals are macerated, while others are steam dragged)

Alcohol: Extra neutral cereal tridistillate

Alcohol volume: 43%

NOTES

Gin made from 9 carefully selected botanicals to achieve a balanced, pleasant and easy-to-drink gin, with a herbaceous profile with marked citrus notes, fine floral notes of Lavender, a subtle sweetness contributed by the Malbec raisins and a slightly earthy finish manifesting Angelica root.
