# MENJUNJE

VERMUT DE MALBEC ROSADO

## DESCRIPTION

We love those afternoons with friends that start with vermouth and end with wine. Inspired by those moments, Menjunje, MAAL's vermouth, was born. A base of Malbec rosé macerated with a premeditated mixture of spices, botanicals and flowers. Something herbaceous, citric and very easy to drink, Menjunje is the perfect aperitif to accompany anecdotes and laughter.
